

Safety Data Sheet

Section 1: Identification

Product identification:

Food contact safe mold release and Vegetable oil mold release.

Product and Company Identification

Food contact safe mold release and Vegetable oil mold release.

Company Identification:

Wizbe Innovations LLC

903 Western Avenue

Manchester ME 04351

Phone number: 1-888-281-2674

Food contact safe mold release and Vegetable oil mold release mold making release agent.

Section 2: Hazards

Not classified as hazardous

Non-hazardous substance

Non-dangerous goods.

Section 3: Composition/information on ingredients

Ingredients determined not to be hazardous.

Section 4: First-aid measures

Inhalation Remove to fresh air.

Ingestion Give water to drink.

Skin Wash thoroughly with soap and water.

Eyes Flush thoroughly with copious amounts of running water. If system persist, seek medical attention.

Advice to doctor Treat symptomatically.

Other Information Emergency phone number: poisons information Centre 13 11 26

Section 5: Fire-Fighting measures

Use carbon dioxide, dry powder foam.

Hazards from Combustion: With heat, product burns/ oxidizes to form carbon, carbon monoxide and or carbon dioxide, and smoke.

Specific Hazards: Closed container may build up pressure when exposed to heat and should be cooled with water spray.

Precautions in connection with fire: Fire-fighters should wear fully protective clothing and self-contained breathing apparatus operated in positive pressure mode.

Section 6: Accidental release measures

Spillages may cause slipping hazard. Wear appropriate personal protective equipment and clothing to minimize exposure. Increase ventilation. Contain spilled material with an inert or non-combustible inorganic absorbent material. Sweep up and remove to an approved disposal container. Clean with hot water & detergents. Notify relevant waste or environmental authority as required by the site's EPA license, trade waste agreement and/or states legislation.

Section 7: Handling and storage

Precautions for safe handling:

Avoid contact with skin, eyes, and clothing. Follow good hygiene procedures when handling chemical materials. Do not eat, drink, smoke, or use personal products when handling chemical substances.

Store in a cool, dry place. Keep from freezing, Keep containers tightly closed.

Section 8: Exposure controls/personal protection

This material has no known exposure limits.

Provide exhaust ventilation or other engineering controls to keep the airborne concentrations of vapor and mists below the applicable workplace exposure limits

Respiratory protection is not required under normal conditions of use. When necessary use NIOSH approved breathing equipment.

Skin protection: Select impermeable gloves resistant to the vegetable oil.

Wear eye protection tested and approved under appropriate government standards such as NIOSH.

Avoid contact with skin, eyes, and clothing. Wash contaminated clothing before wearing.

Section 9: Physical and chemical properties

- Appearance: translucent yellow
- Odor: mild
- Odor threshold: Not Available
- Vapor density: Not Available
- pH: Not Available
- Relative density : 0.93 g/cm³
- Melting point: < 0 Celcius
- Solubility(ies): Insoluble
- Initial boiling point and boiling range: Not Available
- Flash point: >113C
- Evaporation rate: Not Available
- Flammability: Will burn if in a fire but not considered to be a significant fire risk.
- Vapor pressure: Not Available
- Partition coefficient: Not Available
- Auto-ignition temperature: Not Available
- Decomposition temperature: Not Available
- Viscosity: 52 Cp at 24C

Section 10: Stability and reactivity

Normally stable. Avoid exposure to heat, flame, strong oxidizers and moisture.

Decomposition products may include:

Oxides of Carbon

Section 11: Toxicological information

Toxicology Information: No toxicology data available for this product.

Inhalation: Not likely to cause adverse effects from inhalation.

Ingestion: Ingestion of large amounts may irritate the gastric tracts causing nausea and vomiting.

Skin: Skin contact may result in mild skin irritation.

Eyes: May be irritating to eyes. The symptoms may include reness, itching and tearing.

Chronic effects: not available.

Section 12: Ecological information

Not determined

Section 13: Disposal considerations

Dispose of according to local, stat/provincial, and federal requirements.

Section 14: Transport information

Goods are Not regulated, Not Dangerous, Not Hazardous, and Not Restricted for international and domestic Carriage/Transport.

Section 15: Regulatory information

N/A

Section 16: Other information:

SDS Creation Date: Oct 03, 2016

Revised: 8-12-2019
